2007 Wiltondale Improvements

Thank you to Andy Evans, who coordinated the effort to add trees to our neighborhood this fall. Look forward this spring and summer to seeing more shade along our streets from the more than 30 trees that were planted in Wiltondale.

Additional information about the shade tree program and caring for your trees can be found on the Wiltondale website.

Greenwood Park also received maintenance this fall. Trees were trimmed, a new fence was put up between the parking lot and the playground, the drainage system was improved, new landscaping timbers were installed and a thick layer of mulch was laid around the play equipment.

Wiltondale COP has been reorganized so that we now see neighbors patrolling with frequency in an effort to keep our neighborhood safe.

It's not too late to become involved. If you are interested in participating in COP, you may email COP@wiltondale.org.

Organized events continually remind us what a great neighborhood we live in. Thank you to all Wiltondale residents who contributed their time and energy in 2007 to create and perpetuate activities that brought us together as a community. Let's continue our efforts in 2008!

Winter in Wiltondale

Remember, after a snowfall, you are responsible to shovel your walk and the sidewalk.

This will keep pathways clear for children as they walk to school.

Women of Wiltondale Meeting Jan. 15

The next Women of Wiltondale meeting will be held on Tuesday, January 15 at 7 p.m.

Please bring a bottle of wine or an appetizer to share. Watch your email for the location. This is a great way to meet neighbors and have a night out!

If you have any questions, please email Marsha Sullivan at tmksulli@comcast.net.

President's Letter

Dear Neighbors,

Happy New Year! With 2007 behind us, it is time to pause and reflect on the wonderful neighborhood we live in. In 2007, we welcomed new neighbors and said goodbye to long-time residents. We mourned the passing of others. All-in-all we are a strong neighborhood with a common vision of having Wiltondale remain a great neighborhood to live and raise our families. I have been fortunate to have served this community as President, and have had the opportunity to meet many of you. The common thread that runs through this community is one of respect and friendship.

We look toward 2008 with new leadership on the board. We will have a new executive slate, as well as 10 new board members. Please come to the annual meeting on January 11th to meet this fine group. Our community is great because of the investment of time and talent that each of you give. Please consider helping Wiltondale improve this year by attending events, cleaning up the park, raking the triangle, planting a tree, or greeting new neighbors.

May you be blessed beyond your dreams in 2008.

Phyllis Gray, President

Wiltondale Directory Corrections

Although every effort was made to ensure the accuracy of the directory, some mistakes were made. Please check your information and notify the WIA of discrepancies that should be fixed. Your revisions will be published in the printed issue of the newsletter.

Any updates and/or corrections to your directory information should be sent to **directory@wiltondale.org**.

Significant Home Improvements Need OK

Wiltondale residents are reminded that all substantial improvements and changes to their property must be approved in advance by the architectural committee of the Wiltondale Improvement Association.

A "Proposed Improvement Review Form" can be downloaded from the Wiltondale website at www.wiltondale.org. This process should be initiated by the homeowner(s) sufficiently early so that approval can be given before groundbreaking.

To have plans reviewed for approval, contact Brian Murphy, 614 Coventry Road, at (410) 828-4227.
