WIA President's Letter

Dear Friends and Neighbors:

With the holidays now behind us, it's time to hunker down and face the "dark ages" – which is what we used to call the long gray winter months when I was in college. Actually, now that I'm a lot older and a bit less cynical, I've come to enjoy the winter for its beauty and distinctive place in our cyclical change of seasons. In any event, I trust that each of you had a refreshing and relaxing time with friends and family. We certainly did at our house as our empty nest was temporarily refilled with returning children.

As we come to the end of another year, I'd like to take just a minute to express my thanks to all my fellow Directors for all the hard work expended on behalf of Wiltondale during 2008. While space will not permit me to acknowledge all of the individuals involved and their many significant contributions, let me just say that we are extremely fortunate to have such dedicated folks performing so many unheralded chores behind the scenes. A special thanks goes out to the officers and committee chairs for the extra measure of time and effort required of them this year. It was a pleasure to work with all of you.

We will be well-served in 2009 by a dedicated incoming president, Brian Murphy, an impressive executive committee, and a capable slate of new and returning Directors. I know Brian's job will be made easier (as was mine) by the cooperation and palpable community spirit of all of you (now, if you would please replace my phone number with Brian's on your refrigerator door...).

I look forward to seeing you around the neighborhood, and I wish each of you a prosperous and Happy New Year!

Russ Pope
