A Note of Gratitude...

This letter is to extend our appreciation to the kind residents living in the 600 block of Yarmouth Road.

During the recent snowstorms our kind, wonderful neighbors not only shoveled our sidewalk and driveway but checked on us to see if we were okay or if we needed anything.

We are an elderly couple who love living in the Wiltondale neighborhood and are so grateful for the help we have received.

Sincerely, Shirley and Bob Seeley

WOW Meeting April 20

Many thanks to Alicia and Mike Rowan for hosting a great party on March 20th. What a great night it was to see all our neighbors after the winter we have had.

This month's meeting will be held on Tuesday, April 20, at 7 p.m. at Lauren La Canfora's: 612 Stevenson Lane. Please join us for a fun night of catching up with old friends and new. Please bring an appetizer or a bottle of wine to share.

We are in the early planning stages for our annual shrimp boil. This fun neighborhood event is usually held in early August. If you would like to host please contact Alicia Rowan (410-828-4788) or Lauren La Canfora (410-296-2641).

Pool Dues Due April 30

The Pool opens Friday, May 28, so make sure your dues are paid by April 30, after which late fees kick in. The membership dues are the same as last year. You can make payments online or by mail, and questions may be directed to Jay Massa, Chairman of the WIA Pool Committee, at 410.825.6724. Go to www.wiltondalepool.org for more information about the 2010 pool season.

COP Needs New Patrollers

Wiltondale's Citizens On Patrol is in the process of updating the day and evening COP patrol list. Thank you to those who have helped with this and have patrolled our neighborhood. The COP is now hoping to be able to add more people to the patrol list.

Here is how it works... There are two lists: day-time and evening. You choose which time you would like to do patrols. You receive the COP car topper on a Sunday and keep it for a week. During that time you will patrol as often you would like. On the following Sunday, you pass the car topper to the next person. It's as easy as that!

We have a great neighborhood and now is the time to step up and be a part of keeping it safe.

WIA President's Letter

Spring is in the air, and naturally that means a return to outdoor activities. For many of us, that means getting to work in the yard. For some, it may mean the chance to start larger projects on our homes. Significant improvements to homes in Wiltondale are governed by architectural covenants that address changes like additions, porches, decks, patios, sheds, roofing, and fencing.

As mentioned every month in this newsletter, the "Proposed Improvement Review Form" can be found on the Wiltondale website (www.wiltondale.org). The Architectural Review Committee reviews these forms along with supporting documents like site plans or renderings to approve requested home improvements. In the near future the updated Architectural Guidelines will also be available on the website. In the meantime, if you are considering a significant home improvement and would like to review the guidelines, please email me at President@Wiltondale.org and I will send you a copy.

Warmer weather also means more activity in Greenwood Park. The Parks and Community Property Committee is planning a clean-up at the park in April. If you and your children enjoy the park, please consider helping. It's not hard work and a great way to meet your neighbors. If you enjoy running, the annual run to benefit Greenwood Park will be held in May; registration information will be forthcoming. Greenwood Park is a fantastic community asset and enjoyed by many in and outside our neighborhood and we want to keep it looking good. Thanks for reading and enjoy the weather.

Fred Ross

Home Improvements Need OK

The Architecture Committee of the WIA is requiring **45 days** for review of property changes. Please plan ahead. Submission of forms and approval by the committee is **required** for all exterior home improvements. In addition, you are required to review your plans with your immediate neighbors prior to submitting forms.

A "Proposed Improvement Review Form" can be downloaded from the Wiltondale website at www.wiltondale.org. To have plans reviewed for approval, contact arch@wiltondale.org.

Attention, Wiltondale Neighbors!

Please let **Ann Miller** know if you are a new Wiltondale resident or if you know of any new neighbors who have moved in so that they may be welcomed by a member of the hospitality committee. You may email anncraigmiller@msn.com or call (410) 825-8557. Any updates and/or corrections to your directory information should be sent to directory@wiltondale.org.

Baltimore County is having a hazardous waste collection day Sunday, April 11, from 9 a.m. - 2 p.m. at the Cockeysville facility. For more information, go to <http://www.baltimorecountymd.gov/Agencies/publicworks/recycling/hhwinformation.html>

Recycling Option For Renovations

The Loading Dock, Inc. (TLD), a Nonprofit Building Materials Reuse Center, accepts donated, used and new/surplus, building materials to distribute through its warehouse for community improvement. Donors may claim a charitable tax deduction for the estimated fair market value of their donation. For a list of acceptable items you can donate and instructions for how to donate, go to www.loadingdock.org.

Amanda Konradi of 514 Sussex reports that TLD is great to work with: they get back to you fast, let you leave material for pick-up in your driveway, provide excellent documentation of donations, and they will take far more than they officially list, such as wrought iron railings, fire-place doors, and chimney caps.
