# President's Letter

Well, it looks like Spring is here a little bit early, and I don't think anyone is complaining, with the possible exception of allergy sufferers. In any case, it's a great time of year in our neighborhood, with lots of activities in store. Please mark your calendars for the annual Easter Egg Hunt on March 31 at 3 p.m., and for the Wiltondale/Overbrook Run on Saturday, May 5. In addition, we will soon announce a date for cleanup day at Greenwood Park, so stay tuned for that.

I would now like to address two issues that are not necessarily new, but that have drawn my attention in recent weeks based on feedback from neighbors. These are animal control - specifically dogs off leash, and approval of residential improvements. With respect to the former, we have enclosed for your information the county's flyer that summarizes Article 12 of the County Code. This is the animal control law. Our responsibilities as pet owners are very clear under this law. I urge everyone to consider these responsibilities carefully as you exercise your pets. Encounters between unleashed dogs, particularly when one is leashed and the other is not, are unpredictable. Matters can escalate beyond control in a split second, and the risk of injury to animal and owner is very real. As neighbors concerned with our collective safety, I am confident that we will all take this issue seriously and attend to our obligations under the law.

We are a community under covenant. This means that we have all agreed to be bound by the covenants put in place when our neighborhood was established. The Wiltondale Improvement Association (WIA) is charged with enforcing the covenants, which specify that all exterior improvements must be approved. The Architecture Committee of the WIA Board of Directors is responsible for overseeing the approval process. I believe that there are 3 important things to note about the process. First, that it is designed and intended for the benefit of all. Generally speaking, experience tells us that 'improvers' benefit from the opportunity to think through and communicate about their project. Immediate neighbors benefit from a 'heads up' and the opportunity to participate in the dialogue, and the entire community benefits from projects that are supported by neighbors. Second, the process is not onerous. You will find all the resources necessary to complete your submission on our website. Questions are welcome and easy to submit through the email link to the Committee. The Committee is committed to responsiveness and able to meet 'virtually' or in person as necessary. Finally, the process is mandatory. The covenants make this clear. In recent weeks, several improvements have been noted that did not come for approval. The Committee is in the process of initiating follow-up steps with respect to these projects.

These matters are important to the life of our community, and I thank you for your attention to them. I would also like to remind everyone that your WIA Board of Directors discusses and acts on these issues and many others of mutual interest on the second Tuesday of every month, 7:30 p.m. at Ascension Lutheran Church. These meetings are open, and your participation is welcome and encouraged. Thank you again for your support. Have a great month!

Tim Lotz, President, Wiltondale Improvement Association

## WOW Preakness Party May 19

Please save the date for the Women of Wiltondale - hosted Preakness Party on **Saturday, May 19**. This event is open to all neighborhood adults. Beer and wine will be provided. April 19 is this month's WOW meeting, location TBD.

# In Memoriam...

Fanny "Funny" Wyman, Wiltondale resident for more than 35 years, passed away on March 1st 2012. She resided at 506 Wilton Road since 1977 along with her husband James Wyman (who passed away in 2001) and son Max Wyman. Her early school days were spent in numerous countries including Brazil, Austria, Romania, Israel and others. Fanny taught herself over 10 languages and spoke them fluently, but they all shared her strong Israeli accent. She also served in the Israeli army at the age of 18. Immigrating to the United States with her husband Jim in the 70's, Fanny and James purchased their first and only house on Wilton Road. Fanny worked as a flight stewardess, caretaker, antique expert, mother to many and "professional" chef. Many of us have had wonderful memories with Fanny from the old days at the pool, adult nights, sharing garden tips, spending time with her beloved dog Dakota or even being lucky enough to enjoy some of her home cooking. Although she would enjoy feeding anybody who showed up at her door, she especially loved to feed any neighborhood animal(s) that were lucky enough to find 506 Wilton Road and never discriminated against any creature that found her front porch. Fanny was always full of life despite her hardships, and had a heart of gold that will be missed by many.

She is survived by her son Max Wyman who can be reached at maxwyman@hotmail.com. Condolences may be sent to his address: 3680 Max Place #104 Boynton Beach, FL 33436.
