## Congratulations to the Wiltondale Warriors on a great season!

After only three years, the Wiltondale Warriors finished their swim team season with a record of 4-4, their best yet. The team, comprised of 124 swimmers, were lead by Devin Kirby, Alison Mingo and Marley Swisher. Go Warriors!

## WIA President's Letter

Summer weather is here, and the best place to cool off on a hot day is the Wiltondale Pool. This is the 59th season for the pool, and it continues to be one of the best features of our neighborhood. The Pool Committee and the Board of Directors are finalizing plans for a phased renovation of the pool, with a projected start date of September 2015. The first phase of renovations will focus on the main pool and future phases will focus on the bathrooms, patio areas, and the baby pool. It has been close to 15 years since the last major pool renovation, so it is time. If you know anyone who is considering joining the Wiltondale Pool, now is the time to join. There are only a limited number of membership slots left for this pool season, so don't delay. More info about membership can be found at [Wiltondale.org/pool](http://Wiltondale.org/pool). I hope to see everyone at the pool.

Nate Raider  
WIA President

## Parking Concerns

Most of the streets in Wiltondale are narrow and parking is allowed on both sides. Normally, this is not a problem and is even desirable, since it narrows the travelled portion of the street and forces motorists to drive more slowly down streets that are often filled with walkers, bikers, and children playing. Recently, however, a fire engine that was responding to a call on Sussex Road found its way impeded by cars that were parked too far from the curb. As a result, the firefighters had to stop their vehicle short of their destination and walk with their heavy equipment to the source of the alarm. Probably as a consequence of this, county police in the next few days ticketed cars in the neighborhood that were parked too far from the curb and that were parked facing in the wrong direction.

Parking in our neighborhood is governed by a state statute that reads:

### Parking on two-way roadway

(a) Except as otherwise provided in this section, a vehicle that is stopped or parked on a two-way roadway shall be stopped or parked parallel to the right hand curb or edge of the roadway, with its right hand wheels within 12 inches of that curb or edge of the roadway.

This means, of course, that you have to park your car within one foot of the curb and with the right (passenger) side of your car facing the right-hand curb. In other words, you can't park so as to impede the flow of traffic and you can't park "facing in the wrong direction." Strick adherence to this rule, by residents as well as by their guests, will prevent other emergency vehicles from being blocked and will also prevent those annoying and costly parking tickets.

Dear neighbors,

It has been brought to my attention that we are still having problems with people using the pool parking lot to hang out and do other things after pool hours. The pool has recently had some vandalism occur that ultimately ended up with the pool being closed one day.

If you see anyone parked or hanging around the playground, lot, etc., please call 911. There needs to be a record of it. Also, please tell your kids not to hang out there. We had one instance that a girl said she lives in the neighborhood.

As you know, Wiltondale has recently had numerous acts of crime, and I am asking everyone to be vigilant to help keep our neighborhood safe.

I am in the process of redoing the COP patrol schedule and am reaching out to all of you and asking for people, other than the Board members, to sign up to do patrol. Years ago, I had many neighbors signed up, but recently, no one seems to want to help. Currently, it is only Board members who do it. I would love to see more neighborhood participation.

Please remember to let me know about any crime in the neighborhood so I can alert everyone.

Thank you!
