

Dear Friends and Neighbors,

Welcome to the 2018 Wiltondale Pool season!

From the first cannonball on Opening Day to the last soggy pup shaking itself off after the annual closing day dog swim, the Wiltondale Pool is a place where great friendships and wonderful memories are made. This is due in large part to our members, and we thank you for continuing to make the Wiltondale Pool such a beloved neighborhood hub.

Even though we are still a few months away from flip flops and beach towels, your dedicated Pool Committee and staff have been hard at work planning for another exciting summer at the pool. New and returning members can look forward to favorite programs like water aerobics, the 10 Mile Swim Challenge and basketball, as well as our popular holiday picnics, adult, teen, and float nights and newer offerings like movie nights and painting nights.

We want to thank our wonderful Swim Team Committee as they plan for Wiltondale Warriors' sixth season with the Free State Swim League, and continue their mission of fun-for-all. Our pool will host four home meets this season, and we encourage all of our members to join this community effort, wear their purple, and cheer for our Warriors!

American Pool LLC will again manage our facility this summer. Many new and familiar faces will welcome and serve you and your family, and maintain Wiltondale Pool's high standards for safety.

You can find information on our activities and offerings via the attached documents and on the pool [website](#). Remember to like us on [Facebook](#), and be sure to sign up for pool announcement and closures through Wiltondale Pool's [RainedOut alert](#).

Thanks for being a part of our pool community, and here's to a safe and fun 62<sup>nd</sup> season. See you at the pool!
