## Report Power Outages to BGE

During times of inclement weather that affects our power lines, it is important that everyone who experiences a power outage report the incident to BGE so the company can respond with greater urgency.

BGE emergency response systems identify the customer's address through the phone number entered. If only a few people call the emergency line to report a problem, BGE employees assume the outage is isolated instead of throughout the neighborhood.

Please take the time to contact BGE at 877-778-2222 in the event of an outage.

## WOW to Meet March 18

The next Women of Wiltondale meeting is March 18th at 7 p.m. at Sue Ross's house - 521 Sussex Road. We will be painting pottery.

**Kathy Fick Designs** is now providing the same service as Amazing Glaze but without the hassle of leaving your home. We are taking advantage of this and would like to invite all the women in the neighborhood to participate!

For those of you who don't know **Kathy** she lives in Wiltondale and is the head of our COP! RSVP by March 11 to **Marsha Sullivan** at [tmksulli@comcast.net](mailto:tmksulli@comcast.net). Once you RSVP she will email you the pieces you may choose from and the prices!

Please bring an appetizer or bottle of wine to share!

## February Break-ins Occurred Nearby

Residents of the Knollwood/Donnybrook community experienced two burglaries during the day Feb. 11 and Feb. 18 when the homeowners were away.

Please be aware of and report unusual behavior exhibited by unfamiliar people. We all need to continue to look out for each other to help deter crime.

To receive COP alerts email [cop@wiltontdale.org](mailto:cop@wiltontdale.org).

## WIA Meeting March 11

February's meeting was cancelled due to treacherous commuting conditions, but the Wiltondale Improvement Association will meet Tuesday, March 11, at 7:30 p.m. in the Luther Room of Ascension Lutheran Church.

All Wiltondale residents are invited to attend!

## Easter Egg Hunt March 16

Hippity Hoppity... Easter's on its way!!

The Easter Bunny is sure to make a stop at the park! Please bring the children and join your neighbors for the annual Easter Egg Hunt at Greenwood Park Sunday, March 16, starting at 2 p.m.

Please contact **Kristen Rudolph** at (410) 821-6659 for more information. We'll see you there for Wiltondale's holiday festivities!

## Planning Board Hearing March 18

While we support revitalization of Towson's downtown core, we need to be aware of its effects on the neighborhood.

We have joined with other neighborhoods to request a downsize in the usage of the Donnybrook apartment site, in an effort to keep the site from becoming a large project that will increase traffic and further school overcrowding.

The first hearing regarding the request to downsize the Donnybrook apartments is March 18 at Perry Hall High School. While the hearing starts at 7 p.m., all people who wish to speak need to sign up beginning at 6 p.m. It is important for Wiltondale residents to make a good showing - numbers count!

For further information on the issue or to receive emails from the zoning committee contact **Chris Raborn** at [wiltontdalezone@gmail.com](mailto:wiltontdalezone@gmail.com).

Please submit changes, deletions and additions to the Wiltondale Newsletter to [newsletter@wiltontdale.org](mailto:newsletter@wiltontdale.org).

The deadline for submissions for the next newsletter is the 24th of the month. Thank you!

# President's Letter

Dear Friends and Neighbors:

One of the things I really enjoy about Maryland is our distinct four-season climate. However, I'll admit to having limited affection for two common characteristics of our winter weather – ice and wind. We experienced a one-two punch of each starting with high winds on February 10 that knocked out power to many Wiltondale homes. Some of us were in the dark for almost 32 hours, including the coldest night so far this year. Fortunately, my dwindling stack of firewood was not completely exhausted by the ordeal so I was able to spare the dining room furniture (and my marriage). Many thanks to the hardy BGE crews that worked around the clock to get our electricity back.

Then, the day after power was restored an ice storm turned our streets into a skating rink and closed the schools. While the kids certainly didn't complain, it was difficult for me to suffer the humiliation of "skiing" out of control down my driveway to get the morning paper and not being able to stop until I was halfway across the street. Enough already!

With the first day of Spring gratefully approaching, it's time to start thinking about coming out of hibernation, tackling some of those latent yard projects, and renewing visual contact with our neighbors. Also, we turn our attention this month from the groundhog to the Easter Bunny. Parents, please note the formal announcement in this edition of the newsletter for the annual Easter Egg Hunt on Sunday, March 16.

The aforementioned ice storm also resulted in the cancellation of our February Directors meeting so I don't have a lot of neighborhood news to share with you this month. Stay tuned for more updates in future issues (and less whining from me about the weather).
