## WIA President's Letter

Dear Friends and Neighbors:

As this edition of the newsletter is going to press, Halloween is upon us and I want to compliment those of you who have taken obvious pains to decorate your homes in so many creative ways for the occasion. I have to confess that I probably enjoy this one evening of the year a little too much -- not for all the incessant reruns of horror movies on cable channels or the prospect of scaring trick-or-treaters with a ghoulish mask (although I've thought about it), but because it's such fun to walk the streets in the brisk fall weather, greet many friends, and see all the familiar neighborhood kids looking suddenly unfamiliar in their costumes. I hope you enjoyed the evening as much as I do.

One of the many attractions that drew me and my family to Wiltondale over 20 years ago is the physical beauty of the neighborhood, including its lush canopy of shade trees. However, as you may have noticed, we have been losing some of our best specimens due to age, disease, and other factors. The Board of Directors recently approved a subsidy for the replacement of shade trees in the community in order to help counteract these losses. In short, we are offering \$150 toward the cost of planting a shade tree on your property for the first 20 residents who apply. There is an announcement with further details for the program on the next page of the newsletter.

Thanks to the many of you who have returned the neighborhood traffic survey that was distributed in last month's newsletter. So far, we've received about half of them and the Traffic Committee will begin processing the data soon. The Committee will then make formal recommendations to the Board at its November meeting, based on the information we received from you. If you haven't yet completed the survey, please do so in the next couple of days and deliver it to Jenn Hervy at 640 Yarmouth.

More next month ...  
Russ Pope

Please let **Ann Miller** know if you are a new Wiltondale resident or if you know of any new neighbors who have moved in so that they may be officially welcomed by a member of the hospitality committee. Ann Miller may be contacted by calling (410) 825-8557 or by emailing anncraigmiller@msn.com. Any updates and/or corrections to your directory information should be sent to [directory@wiltondale.org](mailto:directory@wiltondale.org).

Please check the information provided in your classified advertisement for accuracy. Perhaps your child's age or range of services has changed or your merchandise or service is no longer available.

You may submit changes, deletions and additions to the Wiltondale Newsletter to [newsletter@wiltondale.org](mailto:newsletter@wiltondale.org).

The deadline for submissions for the next newsletter is the 24th of the month. Thank you! Alison Mingo

# 2008 Wiltondale Shade Tree Program

Many of you may recall that last year the Wiltondale Shade Tree Program qualified for a grant to purchase shade trees. Unfortunately, we were not able to qualify for the same program this year based on the intended location of trees to be planted in the front yard of residents rather than in the right-of-way between the road and sidewalks.

Not to be deterred and recognizing the importance of maintaining our tree canopy for generations to come, the Wiltondale Improvement Association (WIA) has appropriated \$3,000 to reimburse homeowners participating in this year's program up to \$150 per tree (maximum of two trees per household). Trees eligible for reimbursement should be planted within twelve (12') feet of the curb and away from any underground or overhead utilities. This year's program includes planting of the trees along with a one-year replacement warranty and tree gator to ensure that the trees are properly watered. The only condition is that participants must water trees at least twice each week during the warmer months.

We have enough funding to subsidize the planting of up to twenty (20) trees. It's first-come, first-served, so don't delay registering. From this point forward, the process will work as follows:

- Step 1: Select Specimen from the list below, participants must advise us exactly what specimen they would like **NO LATER THAN 5 PM EST, FRIDAY, NOVEMBER 14, 2007**. If the nursery has limited supply, the orders will be confirmed on a first-come, first-served basis.
- Step 2: Submit Check and specimen selection form to Tim Burkett (address below) before November 14. **These checks, representing the full payment for the installed tree, should be made payable to "Digging in the Dirt"**. WIA will provide reimbursement checks to participants in the amount of \$150 per tree ordered during the week of delivery and installation.
- Step 3: Select Location where each tree is to be planted. The proposed site must be clearly marked until the tree is planted. Flags are available if anyone needs them. Contact us if you'd like help selecting an appropriate site for your tree.
- Step 4: Planting of the trees will occur after Thanksgiving, likely during the first week of December. Participants must have the site clearly marked where they'd like to have the tree planted. We'll notify each participant a few days in advance when an exact delivery date is known.
- Step 5: Tree Care for each tree, particularly through the first year while it's being established, is vitally important. Failing to do so could jeopardize your plant guarantee.

## Wiltondale Fall Family Party/Chili Cookoff Successful

The fall party was well attended by neighborhood families who brought and enjoyed good food, and who were entertained by music and games with prizes. Sarah Frisch, a friend of Bridget Rudolphi's, won the "Guess the Candy Corn" contest — thanks to Kathy Fick for donating the festive jar. Of the seven delicious chili entries, first prize went to Terry Grothmann and second prize went to Kevin Bull. The kids sold lots of goodies to raise \$75 for the Maryland Food Bank. We look forward to seeing everyone next year at the 9th annual fall party!

## Save the Date for Holiday Festivities

Santa will be arriving via fire truck at the Coventry triangle for his annual neighborhood visit 4 p.m. Dec. 6. The Holiday Party at Ascension's Great Hall will be from 10 a.m. to noon Dec. 6.
