A Message from Sgt. Fink

Snow's all melted, temperatures are climbing finally as we escape the throws of this past Winter and turn to Spring! As we do folks are getting out all their lawn equipment and yard furniture to maintain their yards and enjoy the warmth of Spring and Summer.

Sadly though this seasonal change also brings out those that prey upon us and I'm not talking bees and mosquitoes! No, I'm talking of those Pests amongst us that desire our stuff without asking and not returning!

These Criminal Pests aren't out in force yet but with some preventative maintenance maybe we can keep them away as we do the dandelions and beetles from our yards!

When finished all your yard work put all your tools back where they belong, behind closed doors and lock those doors! If your yard is fenced in secure the gates at night. Bicycles, toys, other small yard items should be put away at night and secured. Done driving for the day lock your car up tight and don't leave things like GPS, cellphones, money, wallets, purses lying out in the open in your vehicles.

Taking the minute or two necessary to secure your property before turning in for the night will reduce your vulnerability to those undesirables walking our neighborhoods. The more secure our communities are the less desirable they become to those not welcome in them. So please get the word out to all your family, friends and neighbors to do their part in making our neighborhoods as safe as possible and as always encourage them to call 9-1-1 anytime they see or suspect suspicious or criminal activity occurring around them.

Thanks, Sgt Stephen Fink, 2815 PC06 COT

WIA PRESIDENT'S LETTER

Thank you to all of the Wiltondale volunteers who made our April events successful. It was great to meet some of you at the combined Dumpster Day/Greenwood Park cleanup. We raked a lot of leaves, but it was worth it. In fact, the Easter bunny told me the following weekend that he thought the playground looked great. More impressive was turn out at the Easter egg hunt. In total, our children found more than 500 eggs. I saw some great teamwork during the hunt—some of the older kids generously shared their bounty with the younger ones. It was great to be outside enjoying the weather with friends and neighbors.

The weather may seem to be unpredictable this year and, as a result, we may have a short spring. However, that means the summer will be here before you know it. Opening night at the pool is Friday, May 23 at 4 PM.

And now for an update on the 5k, which was tentatively scheduled for Saturday, May 10. Unfortunately, we still do not have any volunteers to organize the annual 5k race, and this event will be postponed until further notice. We are not giving up, but we need volunteers to make this event happen. If you think that you can help out in any way, please contact us at contact@wiltondale.org.

Nate Raider
President

Home Improvements Require Board Approval

The Architecture Committee of the Wiltondale Improvement Association is requiring 45 days for review of property changes. Please plan ahead. Submission of forms and approval by the committee is required for all exterior home improvements. In addition, you are required to review your plans with your immediate neighbors prior to submitting forms. A "Proposed Improvement Review Form" can be downloaded from the Wiltondale website at www.wiltondale.org. To have plans reviewed for approval, contact arch@wiltondale.org.
