# WILTONDALE POOL NEWS

The Wiltondale pool committee would like to thank you for your patience as our pool management has worked extra hard to empty, refill and balance the pool due to phosphate level problems. The pool is now ready to go and will be open all posted hours with the addition of Tuesday, September 2nd and Wednesday, September 3rd from 4pm-7pm to the schedule. The pool was originally scheduled to be closed next Tuesday through Thursday but enough staff was secured to allow opening on Tuesday and Wednesday. We are still working on finding lifeguards that are available next Thursday so stay tuned. We look forward to seeing everyone at the pool this weekend and again thank you for your patience!

## Home Improvements Require Board Approval

The Architecture Committee of the Wiltondale Improvement Association is requiring 45 days for review of property changes. Please plan ahead. Submission of forms and approval by the committee is required for all exterior home improvements. In addition, you are required to review your plans with your immediate neighbors prior to submitting forms. A "Proposed Improvement Review Form" can be downloaded from the Wiltondale website at [www.wiltondale.org](http://www.wiltondale.org). To have plans reviewed for approval, contact [arch@wiltondale.org](mailto:arch@wiltondale.org).

# WIA PRESIDENT'S LETTER

It's hard to believe that summer is ending and school is already starting. Time sure flies when you're having fun.

In case you've missed it, there are many new developments in Towson. There is finally an active left hand turn arrow at the traffic light at the intersection of York Road and Cross Campus Drive. Now northbound traffic on York Road can safely turn onto Cross Campus Drive, but be sure to watch out for the new raised brick crosswalk as you proceed up the hill. Towson University has also constructed a new pedestrian bridge over Osler Drive near Towsontown Blvd.

Regarding our public schools, there are renovations planned for Dumbarton Middle School and Towson High School is scheduled to receive a new turf field. There is an evolving elementary school redistricting plan that so far does not impact Wiltondale. However, we will continue to watch this issue closely.

We now have a new movie theater at Towson Square, and there are several additional commercial mixed-use developments in the planning stages, including 101 York Road, Towson Row and the Towson fire station site at the corner of Bosley Avenue and York Road.

There has been spirited debate about the pros and cons of all of these changes in Towson. The Wiltondale Improvement Association Board of Directors will continue to monitor progress on these various developments and provide input where appropriate. We value feedback from our residents on these issues so that we can continue to represent the views of the neighborhood to our councilman, county executive and the Greater Towson Council of Community Associations (GTCCA.org). Please send your feedback to [contact@wiltondale.org](mailto:contact@wiltondale.org).

I look forward to seeing everyone at the annual party at the pool on Saturday, September 6.

Nate Raider  
President
